

Greater Israel: Hamas Op Picks up Where 9/11 and the War on Terror Left Off – Video #44

By Makia Freeman

The Israel-Hamas War is about the push for Greater Israel, which is all the land from the Nile to the Euphrates. All of this connected:

1. The fact that neocons are overwhelmingly Zionist;
2. The fact that Israel helped orchestrate 9/11; and
3. The fact that Israel masterminded the “War on Terror” and, because of 9/11, helped launch it against their Middle Eastern enemies.

The War on Terror is a war by US neocons against Israel’s opponents.
